ALS – ACTORS LAB STUDIO 2025 Program

WELCOME!

Tēnā koe and welcome to The Actors Lab Studio (ALS), Auckland's Boutique Screen Acting School. ALS is where you will make friends, grow your technique, and meet future collaborators. We offer **Foundational** and **Professional** courses, and a new **Certificate** and **Diploma** Program.

Our **Foundational** Acting Program gives actors the tools and practice they need to tailor make their own technique. Students can go on attend the **Professional** Program, which prepares actors for a career in Acting, and keeps trained participants match fit for work.

We still welcome drop-ins, with enrolment priority given to our Certificate and Diploma Program students. You can find more information on the website.
