

ALS – The Actors Lab Studio 2026 Program

Tēnā koe & welcome to The Actors Lab Studio (ALS) - NZ's Boutique part time Acting School

ALS is where you'll make friends, grow your technique, and meet future collaborators. Our teachers are seasoned industry professionals. We offer **Foundational** and **Professional** courses, and a **Certificate & Diploma** Program. **Foundational** Acting gives participants the necessary tools to tailor their own technique. Students can start or move to the **Professional** Program, which prepares actors for a career in the profession, and keeps trained participants match fit. We still welcome drop-ins, too. You can find more information on our website.
